SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2008-2009 school year, JV Martin Junior High School has continued to make many strides. The Teacher Advancement Program, TAP, has provided many hours of staff development in best teaching practices, observations for instructional improvement, and Master Teachers for modeling and field testing. Again this year, we made our goals in the areas of Literacy and Mathematics.

Last year's focus remained on literacy, and the same holds true this year, as we continued to strive for all of our students to become active, engaged readers. The Sunday System, taught by our elective teachers, was used to assist struggling readers by providing specialized instruction geared to meet these students' needs. The ELA teachers continued to implement the Balanced Literacy approach to language arts. In addition, our teachers continue to use AIMS activities to increase the use of manipulatives in teaching math curriculum standards, and a math coach worked with teachers throughout the year to improve teaching practices. Science teachers have continued to work with our curriculum specialist to revise the new science curriculum guides that incorporate the use of "hands-on" activities for teaching science. Our social studies teachers have continued to use literature to support social studies instruction.

Students at JV Martin have excelled in academics this school year. Measures of Academic Progress (MAP) Testing has reflected large gains in student achievement in all areas. Our students taking Algebra I for high school credit had a 100% pass rate on the end of course exam, and 11 of these students made a perfect score on the test. Our struggling readers who were taught using the Sunday System showed gains on the average of two reading levels.

JV Martin Junior High School has made great strides again this year! We are so proud of all we have accomplished, and with continued support of parents and community, we are looking forward to the future.

Frankie Camp, SIC Chairperson
